## Help us reveal Adelaide's favourite work of art

The Art Gallery of South Australia has been inspiring Adelaide since 1881 and in celebration of our 125th Anniversary, we're on the hunt to discover the most popular work of art in our collection.

**The People's Choice** voting competition begins Monday 22 May and gives all South Australians the chance to nominate their favourite painting, photograph, print, drawing, sculpture, installation or decorative arts object in the State collection.

By voting, people automatically enter the draw to win a reproduction canvas print of Adelaide's most popular painting thanks to Van Gastel Printing, along with a year's membership of the Art Gallery and \$500 cash thanks to The Advertiser's Saturday Review lift-out.

With 35,000 works of art in the collection to choose from, selecting a favourite won't be easy! Will it be the Gallery's first acquisition, H.J. Johnstone's *Evening Shadows*, Tom Roberts' *A Breakaway!*, Clifford Possum Tjapaltjarri's masterpiece *Honey Ant Dreaming* or perhaps the precious *Tiffany Windows*? James Angas' fluorescent Rhinoceros sculpture, the glittering *Amida Buddha* or Alfred Gilbert's *Eros*?

The most popular work of art will be revealed on the Gallery's 125th Anniversary, Sunday 18 June, at our Big Birthday Party. To enter, visit the Art Gallery of South Australia any day between Monday 22 May and Wednesday 14 June and cast your vote.
