CC CIRCLE

Contemporary Collectors is the Art Gallery of South Australia's dynamic group of benefactors dedicated to supporting the development of the Gallery's contemporary art collection. Formed in 2003, the group boasts 200 members whose annual membership, event participation fees and donations have raised \$600,000 and we are on target to raise \$1,000,000 in ten years.

Created in 2009, **CC Circle** is an initiative to encourage benefaction to the Art Gallery of South Australia at a higher level. It reflects a growing desire of philanthropists to have greater engagement with the organisations they support. This category will recognise members whose donations have accrued over \$10,000, through either financial donations (*not including membership fees*) or donations of works of art.

BENEFITS TO MEMBERS OF CC CIRCLE
